FIBA Basketball Camp July 30, 2018, to August 3, 2018

Fanshawe Falcons Men's Head Basketball Coach Tony Marcotullio

SKILL DEVELOPMENT BASKETBALL CAMP

This camp is for boys and girls going into grade six through twelve. The camp's goal is to develop post and guard skills in a modular program designed to let players work on the skills while still following on Canada's Basketball LTAD model. Campers will be taught aspects of shooting, post defence, post moves (jump hook, drop step, up and under, , face-up series), post spacing, screening, passing, as well as guard skill such as ball handling, shooting, perimeter/post passing, guard footwork (both foot speed and first step), and defence.

Why Gold Medal?

- Accomplished coaching staff dedicated to individual improvement through creative drills and competition
- An encouraging environment dedicated to working hard and having fun!!
- Intense individual instruction focused on player development
- 2v1 attack
- Teaching of European Principles

NEW FEATURE OF CAMP – NOAH SHOOTING SYSTEM

Each camper will be able to shoot on the NOAH Shooting system which uses charts, graphics and a grading system to help create a scientifically proven ideal shot.

Campers at our Elite Camp will develop footwork skill and movement to help them become prolific scorers. Teaching of effective footwork will be taught through movement and enhancement drill work incorporating scaffolding teaching 1v0, 1v1 and 3v3 drills. The goal of the camp is for all campers to take their opponent off of the dribble or a catch and shoot situation. Gold Medal will immerse the campers into deep practice teaching, guiding each camper with the skills needed to improve focus while training intensely. **The week of camp will be demanding, rewarding and fun.** It will provide the opportunity for players to bring their game to the next level.

Major Focus of Camp This Year

This year's major focus will be on developing dribble drive advantage and finishing moves.
